Entry Fee £40 (members £20)
Handicap limit 24

Entry to the Seniors event during the Annual Golf Week is restricted to players aged over 60 on the 5th September 2017.

The event will consist of stableford competitions played from the yellow tees on Monday 4th, Wednesday 6th and Friday 8th September.

The maximum handicap is 24 and the competitions will be played in one category from scratch to 24 handicap

Prizes will be available for the leading points scores in each of the stableford events and for the best combined stableford points scores from 2 of the 3 rounds.

Optional sweep and 2s competitions will be available each day.

In order to ensure that competitors in the Seniors event play together, tee times on the Monday will be restricted to 8.30am - 9.15am and 10.30am - 11.15am although, depending on numbers, some flexibility may be possible.

Due to the requirement to reserve the tee for the match play rounds of the main Golf Week event on the Wednesday and Friday, play in the Seniors event will only be possible from 12 noon onwards on Wednesday and from 10.30am onwards on Friday.
